To Whom It May Concern:

The purpose of this letter is to inform you that Tiger Controls is considered a “preferred supplier” to Dominion. They source and supply a broad base of electrical, electronic, and MRO materials for Dominion’s generation facilities. Because of their performance, our goal is to grow the relationship with Tiger Controls by expanding business opportunities. In addition, Tiger Controls has been established as one of our selected vendors to be entered into our e-commerce system.

If you are being presented this letter, then your product line is one of the many product lines that Tiger Controls have been called upon to supply in support of our agreement. Your support in this endeavor is greatly appreciated.

Sincerely,

A handwritten signature in purple ink that reads "Christina Hall".
