To Whom It May Concern

The purpose of this letter is to inform you that Tiger Controls is considered a preferred supplier to Progress Energy. They have done an excellent job sourcing our MRO needs for PGN's generation facilities. Because of their performance, our goal is to grow the relationship with Tiger Controls by expanding business opportunities. We would like to work with Tiger Controls to develop them in the safety supply (PPE) area. Our mission is two-fold in that we're not just growing the business with Tiger Controls, but we're also aiming to keep our PPE spend with a diverse supplier. Your support in this endeavor is greatly appreciated.

Sincerely,

A handwritten signature in cursive script that reads 'Troy Ellis'.
